

THE OLD CHURCH WEDDING RECEPTION

VENUE HIRE

The Old Church is next to Stoke Newington Town Hall, a venue for civil ceremonies, and opposite to the St. Mary's Anglican parish church. It's well-connected to central London, with great transport links, within a safe distance from the hustle and bustle, making it a fantastic location for any London wedding. In addition to its beautiful interiors the venue boasts a quaint church yard and the surroundings of Clissold park, both of which would make ideal locations for photographs. All of the proceeds from the hire of the venue go back in to supporting local community arts projects.
